

My Mum

My mum's name is Rachel. Her age is 32. She has a humongous heart that is full of love! My mum is very thoughtful. What a very nice mum she is.

My mum has long black hair. Her eyes are like the sea. She is as beautiful as lovely flowers.

Her favourite clothes are dresses. She likes casual clothes but she also likes going out clothes.

When I ask what I'm getting for Christmas she says, "you're getting a mole in a hole".

We like to do arts and crafts together. She likes to go visiting.

I want to stay with her forever because that's how much I love her. My mum is awesome. She is the best mum ever. I love my mum.
